

Certificate of Conformity

N^o 04002064

Product definition : Remote Control
Trademark : Invent Tech
Product name (Type) : RF 2016
Hardware version : ---
Serial number : ---
Software release number : ---

particulars:

Operating frequency : 433.900 MHz
Alignment range : 433.050 MHz – 434.790 MHz

Switching range : 433.900 MHz
Channel spacing : n.a., wideband equipment
Rated RF output power : ≤ 10 mW ERP
Temperature range : -20 to 55 °C
Class of emission : 373K F1D

This Certificate of Conformity has been granted based on the results of various measurements and tests, performed by m. dudde hochfrequenz - technik on a representative sample of the above mentioned product. The tests have been carried out against the following specifications:

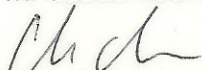

EN 300 220 -1, -3, / V1.3.1 (2000-09)
EN 301 489 -1, -3, / V1.4.1 (2002-08)
EN 60 950 / 1992 + A1: 1993 + A2: 1993 + A3: 1995 +A4: 1997
EN 50 371 (2002-11)

Statement: The tested sample fulfils the requirements in the above mentioned specifications. The associated Test report is: 04002063, 04002065 and 04002066.

This Certificate of Conformity has been granted to:

INVENT-TECH ENTERPRISE LIMITED
Rm E, 2/F., Wah Lik Industrial Centre,
459-469 Castle Peak Road, Tsuen Wan, N.T.,
Hong Kong
China
